

WE CAME, WE MARCHED, & WE MADE ART.

NOW WE REFLECT, RE-ENGAGE, & RECREATE.

Join us as we come together to mark the anniversary of the Black Lives Matter Bermuda March. This exhibition will showcase the artwork created in June 2020, and it is our hope to include more recent art, inspired by our reflection upon the event, and the movement, over the last year. We hope this exhibition will stand as a reminder to continue to move our society forward, and remain accountable to the statements and changes we pledged in support of Black Lives in Bermuda.

The exhibition will run **May 28th - June 29th, 2021**, with the official opening marking the anniversary of the march, **June 7th, 2021**.

Submissions for new artwork will be accepted until May 14th, 2021.

How you can participate:

- Create an artwork based on your reflection, current understanding, or desired outcome of the Black Lives Matter movement here in Bermuda.
- Join us on the anniversary of the march, June 7th, for a special opening, in conjunction with Black Lives Matter Bermuda, in the Rick Faries Gallery,
- Visit us when the show opens and contribute to the public installation running alongside the exhibit.
